#### TASTING NOTES

Single-vineyard monovarietal Xarel·lo Cava from our “Bessó” parcel, where the grapes are harvested late in the growing season. The vinification seeks to preserve the varietal character: spicy aromas reminiscent of ginger that evolve toward stone fruits (peach and apricot). The palate offers a solid structure, balanced by the refreshing character of a Brut Nature (zero dosage). A Cava with great length, offering further complexity that lingers on the palate, and hints at the long life that this Cava has in store.

#### GASTRONOMY

This is a very versatile cava, which combines perfectly with soft white cheeses, spicy and firm foods such as fish with pronounced character, and also with a stuffed Italian pasta.
